Question 1: On page 3 of the scope of services under qualifications, it says "Proven and documented working relationship with an established faith-based organization or institutions. Please provide a letter of support from these agencies."

1. How many letters of support are required?
2. By "faith-based organization or institutions," are you referring to faith-based institutions, or other local community-based institutions that may or may not be faith based as well?

Response:

1. Two (2) letters of support are required.

2. The College is requesting at least two (2) letters, one (1) of which should be from a faith-based organization/institution.

Question 2: On page 4 of the pdf, it states "Vendors should submit two (2) complete copies of the proposal."

1. Can you please clarify what you mean by two copies? Do you need two original signatures on all the documents? Or one original signature and one copy? Or one original signature and two copies, for three total "packages"? Or, do you not need any original signatures, and both of the submissions can be copies?
