A bidder may designate specific information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The institutions reserve the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. The institutions will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

By signing this RFP response, the bidder waives any claims of copyright protection set forth within the manufacturer’s price list and/or catalogs. The price lists and/or catalogs must be accessible to the institutions and cooperative purchasing partners and thus have to be made public to allow eligible purchasing entities access to the pricing information.

All bid proposals, with the exception of information determined by the institutions or the Court to be proprietary, are available for public inspection after the Letter of Intent to Award is issued. At such time, interested parties can contact The College of New Jersey Purchasing Department to inspect bid proposals received in response to this RFP.
Pricing:
All pricing should be indicated on the cost sheet as provided.

Energy Star energy efficient products: On April 22, 2006, Governor Jon Corzine signed Executive Order #11 stating that The New Jersey State government should assume a leadership role in promoting the efficient use of energy and natural resources in the interest of long-term protection and enhancement of our State's natural beauty. To meet this requirement, vendors, including designs by architects and engineers, shall provide pricing for Energy Star energy efficient products when applicable. For products that do not have ENERGY STAR labels, vendors shall follow guidelines established by the New Jersey Clean Energy Program and/or requirements set forth in Executive Order #11.

Substitutions
The bidder may include in their bid substitute materials or equipment or methods in lieu of those specified in the contract documents, but they do so at their own risk. Any substitution must be equal in type, function and quality to the item required in the contract.

No bidder is allowed to offer more than one price on each item even though he/she may feel that he/she has two or more types or styles that will meet specifications. Bidders must determine for themselves which to offer. This may be cause for automatic rejection of bid.

Multiple Bids Not Allowed
No bidder is allowed to submit more than one bid from an individual, firm, partnership, corporation or association under the same or different name. This may be cause for automatic rejection of each bid.

Bid Withdrawal:
A bidder may request that its bid be withdrawn prior to bid opening. Such request must be made in writing to The College Director of Purchasing. If the request is granted, the bidder may submit a revised bid as long as the bid is received prior to the announced date and time for bid opening and at the place designated. Once bids have been opened, the bidder runs the risk of forfeiting their bid bond.

Submitted bids shall be valid for at least a period of (60) days to allow for sufficient time for bid evaluation and contract award.

Mandatory Submittals:

5) **PROPOSAL EVALUATION:**

   Evaluation committee - Bid proposals may be evaluated by a committee composed of members of the institution Unit/Department responsible for managing the service, the institution’s Purchasing Department and other institution employees.

Proposals will be judged including, but not limited to, the following criteria:

   a) Experience of the vendor in the commodity being bid.

   b) The ability of the vendor to efficiently, accurately, and successfully perform the required services essential to this contract. The vendor's performance history with regards to these services will be used in the evaluating whether or not to award the contract to that vendor.
c) A vendor's response to all specification requirements in sufficient detail for the evaluator(s) to analyze the proposal and make sound judgments about it.

d) Price. The College of New Jersey reserves the right to evaluate price(s) and award contracts, based on the present worth analysis when it is determined to be in the best interest of the College. Vendors should submit prices exactly as instructed. The College reserves the right to request all vendors to explain the method used to arrive at any or all prices. The College reserves the right to require bidders to provide a schedule of values of their bid price upon request. If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between unit price and extended price and the bidder’s intention is not readily discernible from other parts of the bid proposal, the Director of Purchasing may seek clarification from the bidder to ascertain the true intent of the bid. The College reserves the right to waive any technical or formal defects found in the RFP submission.

e) Oral presentation and/or Clarification. A bidder may be required to give an oral presentation to the institution concerning its bid proposal. The institution may also require a bidder submit written responses to questions regarding the bid proposal. The purpose of such communication with bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify its bid. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way.
1.1 PURPOSE AND INTENT
This solicitation is issued by The College of New Jersey Purchasing Department on behalf of the College’s Athletic Department. The purpose of this bid is to solicit proposals for the provision of team footwear products, team apparel and accessory products.

These products are for use by the College’s intercollegiate sport teams and staff, including baseball, men’s and women’s basketball, men’s and women’s cross country, field hockey, football, women’s lacrosse, men’s soccer, softball, men’s and women’s swimming, men’s and women’s tennis, and men’s and women’s track. The College reserves the right to add or delete programs as determined by the College’s Athletic department or make multiple awards under this solicitation.

1.2 BACKGROUND
The College of New Jersey (TCNJ) is a highly selective institution that has earned national recognition for its commitment to excellence. Founded in 1855 as the New Jersey State Normal School, TCNJ has become an exemplar of the best in public higher education and is consistently acknowledged as one of the top comprehensive colleges in the nation. TCNJ currently is ranked as one of the 75 “Most Competitive” schools in the nation by Barron’s Profiles of American Colleges and is rated the No. 1 public institution in the northern region of the country by U.S. News & World Report. TCNJ was named the #10 value in public higher education by the Princeton Review in 2009 and, in 2006, was awarded a Phi Beta Kappa chapter—an honor shared by less than 10 percent of colleges and universities nationally.

High achievement and scholarship in the classroom have been mirrored by the success of The College of New Jersey’s varsity student-athletes. Since the 1978–79 Lion wrestling team captured the College’s first National Collegiate Athletic Association (NCAA) team championship, TCNJ has established itself as one of the nation’s most successful Division III (non-athletic scholarship) programs. Since 1979, The College of New Jersey has amassed a total of 39 Division III crowns in six different sports. In addition, the Lions have posted 32 runner-up awards, giving the College an aggregate of 71 first- and second-place finishes. That figure is tops among the nation’s 400-plus Division III colleges and universities during the past 30 years. The Lions have also produced 54 Division III CoSIDA Academic All-Americans.

As impressive as the overall athletic record is, TCNJ’s accomplishment as a leader in women’s sports is even greater. Since NCAA Championships were initiated for women in 1981, only TCNJ has won 32 Division III team championships. The total does not include the Lions’ lacrosse championship in 1981 or the softball championships in 1980 and 1981, which were sponsored by the AIAW (Association for Intercollegiate Athletics for Women) prior to women’s sports inclusion in the NCAA. In the fall of 1999, TCNJ’s women’s athletic program was voted as the top Division III institution for female student-athletes by Sports Illustrated for Women.

SCOPE OF WORK
TCNJ is interested in entering into an exclusive supply arrangement with a vendor or supplier capable of furnishing all the athletic apparel, gear and equipment needed by the Athletic Department. However, exclusive supply is not a necessary condition, and TCNJ is interested in and will entertain bids from contractors capable of supplying only portions of the desired products.

It is the College’s intent to award this contract to a team apparel distributor. The College reserves the right to award to one or more vendors.
**Contract Period**
The contract established for a three year period with the option to renew for two additional years. The contract year for year one (1) shall be from date of award through June 30, 2014 and July 1-June 30 thereafter.

**Products**
The following is a list of uniforms and athletic apparel intended to be included in this solicitation:
- Team uniforms
- Practice wear (shorts, t-shirts, sleeveless shirts)
- Competitions shoes
- Training shoes
- Team travel/warm-up suits
- Sweat pants/sweat shirts
- Coaching gear
- Travel bags
- Miscellaneous – socks, etc.

All Athletic products must be a nationally recognized brand name and be of the quality that prevails among similar businesses engaged in providing similar products in major NCAA athletic departments.

The vendor will provide merchandise catalogs and an order form for placing orders and/or provide for a website to efficiently purchase products on the College’s designated pricing structure.

The contract will provide that if at any point an item supplied by the vendor is deemed by TCNJ unsatisfactory or not responsive to the needs of the Athletics Department, TCNJ will be free to seek a replacement product from other suppliers.

Product returns will be made at the supplier’s expense. TCNJ shall be entitled to reject tendered products on the grounds that delivered goods are incomplete, incorrect (i.e., not accurately responsive to an order) or defective. The supplier or manufacturer will be expected to honor a full money-back guarantee on all defective products.

The College’s budgetary constraints dictate that athletic products be replaced in cycles (by team). Therefore, the College reserves the right to continue use of previously purchased athletic products until its regularly scheduled replacement date.

**Method of Award**
The College intends to award the provision of athletic apparel, footwear, uniforms and accessory products to a distributor who can meet the following criteria:
- Ensure that all of the items bear the same manufacturer’s mark
- Provide the merchandise in the appropriate team colors. The College of New Jersey’s primary team colors are blue and gold.
- Screen and embroider all official athletic logos on products as requested
- Provide a promotional merchandise and/or incentive package
The award will be made to the bidder offering the best value to the College based on:

- Pricing
- Quality of service including a proposed maximum “turn-around time” from placement of an order to receipt of the merchandise. Preference may be given for vendor ability to provide a website for online ordering.
- Value of promotional merchandise package
- Ability to maintain a clear athletic brand
- Quality of products being proposed

Incentives

Bidders are encouraged to consider offering incentives as part of their bid. The types of incentives in which TCNJ is most interested include:

1. Discounts on listed retail pricing. Discuss amounts and conditions of availability.
2. Purchase rebates, and conditions for rebates.
3. Availability of free merchandise. Please provide a description of the athletic product it proposes to provide to the College’s Athletic department at no cost.
4. Sponsorships.
5. Scholarship funds (cannot be designated specifically for athletic scholarships)
6. Donations.
7. Ability to develop and maintain website links to the College Athletics Department to foster sales of merchandise.

The foregoing list is intended to be illustrative. Bidders are encouraged to consider and discuss any incentives they believe will be relevant to the needs of the College’s Athletic Department and the College’s athletic programs.

Pricing

Vendor shall provide the College with a designated percent discount off of retail price for athletic products as well as specific prices for those products listed in Attachment A. All prices shall be firm and include standard delivery to The College. Bidder must provide a list of the products they are capable of providing and associated prices for each.

The vendor shall provide for pricing guaranteed not to exceed manufacturers’ published catalog retail pricing.

The vendor shall provide for a price match clause, pursuant to which the vendor agrees to offer the lowest pricing available on products covered by the contract. In essence, if TCNJ finds a better price available for a product than the one being charged by the vendor, the vendor will henceforth match that lower price.

The vendor will provide a pricing figure for all footwear products, a pricing figure for all apparel and accessory items and a pricing figure for all “hard” items. A sample order form must be provided with the bid. Complete information on the cost of creating embroidery tapes and screens for athletic department logos must be included as well as the cost per item for embroidery and screening as well as any shipping costs.

Quantities
The College estimates an annual expenditure for athletic apparel at $85,000. This amount is only an estimate and intended to be used by Bidders for bidding purposes only. There are no implied or guaranteed quantities to be purchased by The College of New Jersey as part of this contract. All purchases are subject to the availability of funds.

**Invoicing/Payment**
The College of New Jersey will issue payment at the completion of an order. All invoices must be mailed to the address as specified on the purchase order or official order form. The invoice should reference the following:

- Purchase order number, if applicable
- Ship To Address and Name of the team/person that placed the order
- Description of items purchased
- Prices as stipulated by the contract

**Sponsorship Rights**
Subject to the terms and conditions below, and subject to termination of the contract between the parties, TCNJ will provide the successful proposer who enters into a contract a revocable limited license. TCNJ will provide successful Proposer with the right to reference itself as an official sponsor and supporter of the Athletic Department in its advertising and promotional material (collectively the “Promotional Materials”), provided however, that any such reference shall not state or imply that the Athletic Department or the College endorses the quality or value of Supplier's products or services.

All Advertising and Promotional Materials must comply with the constitution, bylaws, and rules of the National Collegiate Athletic Association (NCAA); New Jersey Athletic Conference (NJAC) and any other athletic conference of which the College is a member; and the College's Standards for use of College logos, colors or any other representation of the College of New Jersey.

All Promotional Materials will require the College's express written approval prior to use.

INFORMATION AND INSTRUCTIONS
For Completing The “Two-Year Vendor Certification and Disclosure of Political Contributions” Forms

Background Information
On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding $17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 ("E.O. 117"), which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process
Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
